

COMMON TRAVEL AREAS* TRAVEL CHECKLIST

If you are travelling within the Common Travel Areas (between Nunavut and the Northwest Territories or between Nunavut and Churchill), you must do these 3 things before your trip.

This information is subject to change without notice. Please check with the [Government of Nunavut](#) and the [Government of Canada](#) for the most current information.

1

Obtain a Travel Authorization Letter

- All travellers entering into Nunavut (including from within the Common Travel Areas) must have a Letter of Authorization from the Chief Public Health Officer of Nunavut.
- To receive this letter, email a completed [Traveller's Declaration Form](#) to CPHOTravelRequests@gov.nu.ca within 7 days of your departure.

2

Bring a mandatory non-medical mask or face-covering

- The Government of Canada requires all travellers to confirm that they have a mandatory non-medical face mask in their possession during check-in - [more information here](#).
- Please note that as shown in the above link, face coverings with an exhalation valve or vent, non-medical masks/face coverings made with mesh or lace fabric, neck gaiters, bandanas and face shields will not be accepted as they don't protect others from COVID-19 and don't limit the spread of the virus.
- Travellers who do not have a suitable face covering in their possession will not be allowed to fly.

3

Know what to expect

- Visit our [CN Care page](#) to learn about the many safeguards we have implemented and what you can expect during your flight.

*What are the Common Travel Areas?

[The Common Travel Areas](#) exempt travellers from isolation requirements when travelling between Nunavut and the Northwest Territories or between Nunavut and Churchill, under certain conditions:

- Travel must originate from Nunavut to the NWT/Churchill or from the NWT/Churchill to Nunavut.
- Travellers have not been outside the Common Travel Areas for 2 weeks prior to their travel to NWT, Churchill or Nunavut.
- Travellers remain in the Common Travel Area for the duration of their stay.

Passengers travelling on scheduled flights between the Kitikmeot Region and any other part of Nunavut containing a stopover or change of aircraft in Yellowknife, NWT, are exempt from the requirement to produce the proof of authorization.
