

NORTHWEST TERRITORIES TRAVEL CHECKLIST

If you are travelling to and from the NWT, you must do these 4 things before your trip.

This information is subject to change without notice. Please check with the [Government of the Northwest Territories \(GNWT\)](#) and the [Government of Canada](#) for the most current information before you travel.

1

Determine if you are eligible to travel to the NWT

- Go to this link [Government of the Northwest Territories](#) and confirm that you are eligible to travel.

2

Be prepared to self-isolate after you've entered the Northwest Territories

- Go to this link [Government of the Northwest Territories](#) and determine your self-isolation requirements.

3

Bring a mandatory non-medical mask or face-covering

- The Government of Canada requires all travellers to confirm that they have a mandatory non-medical face mask in their possession during check-in – [more information here](#).
- Please note that as shown in the above link, face coverings with an exhalation valve or vent, non-medical masks/face coverings made with mesh or lace fabric, neck gaiters, bandanas and face shields will not be accepted as they don't protect others from COVID-19 and don't limit the spread of the virus.
- Travellers who do not have a suitable face covering in their possession will not be allowed to fly.

4

Know what to expect

- Visit our [CN Care page](#) to learn about the many safeguards we have implemented and what you can expect during your flight.
